**Country Music Artist and \*GRAMMY Nominee Steven Cade will perform for St. George's Crypt on 10 September at 12 noon.**

Steven Cade partnered with Brent Yates, author/founder of Aion, to raise awareness of the importance of music by donating guitars to inspire those in need. His Giving Guitars Tour visits shelters across the USA that offer housing and services to families, youth and individuals experiencing homelessness (including foster and at-risk youth).

Steven visits the facilities, interacts with residents, donates a guitar and holds live performances. To date, he has visited over 115 organizations in 19 different US states and gifted over 200 new guitars. He has been honored by multiple organizations, such as the Agape House – Prescott, AZ, Memphis Rotary Club and Family Promise – Missouri, TX for his Giving Guitars donations.

Steven shares hope and healing through the power of music. On September 10th at 12 pm, he will visit St. George's Crypt, St. George's Church, Great George St, Leeds LS1 3BR, UK, to interact with the residents, donate a guitar, and hold a live performance. Steven says:  
*"Music changes lives and the guitar is such a powerful tool. Music is healing and allows you to express your stories and brings joy."*
