URBANA, III. (WCCU) — Country music artist and Grammy nominee Steven Cade is coming to Urbana to perform for children at Cunningham Children's Home at 3:30 p.m. on April 24.

Cade partnered with Brent Yates, the founder of The Gravity Up, to raise awareness of the importance of music by donating guitars to those in need.

The Giving Guitars Tour visits shelters across the nation that offer housing and services to families, children, and those experiencing homelessness.

He will interact with the children, give a live performance, and donate a guitar.

Cade has visited 63 foundations in 14 states and gifted over 100 guitars.

“ Music changes lives and the guitar is such a powerful tool. Music is healing and allows you to express your stories and brings joy,” says Cade.

Cunningham Children's Home provides support to more than 800 youth, adults, and families every year.
